The above prices do not include disbursements (third party fees) paid on your behalf; for example; crematorium, Church, officiant, flowers and media notices. We will require a deposit for the full estimated disbursement costs a minimum of 3 working days prior to the funeral taking place, with the balance of the account invoiced approximately seven days after the funeral, requiring payment within thirty days of the date of the invoice, after which, you may be charged interest until payment is received in full. The cost of any debt recovery will be passed on as laid down in our terms and conditions of business, a copy of which is available on request.

We are not authorised or approved to offer funeral payment plans.

We will provide you with a full, itemised estimate of charges for funeral services.

CREMATORIUM CHARGES-2025-2026

We have no control over these charges, which are subject to change at any time. Funeral Directors traditionally pay third party costs on your behalf, allowing the funeral to go ahead and ensuring that you only have a single invoice to pay. Some third-party costs are optional and some are unavoidable. A funeral should be personal and there are a vast array of choices and options available. Local crematorium costs are detailed below but we will always advise on the costs for your preferred funeral, helping you to make an informed and affordable choice, without obligation.

Great Glen Crematorium	£895 - £1850
South Leicester Crematorium (Countesthorpe)	£930 - £1690
Gilroes Crematorium	£845 - £1120

Reduced prices are for restricted bookings-usually early mornings. There are further reductions for unattended cremations-please ask for details
